BACK-TO-SCHOOL

Summer is almost over and the kids are ready to be back to school. Across the properties, Emana has partnered with many local and national organizations to engage in activities that assist the kids with school supplies helping them to be ready for the new school year season.

With a great sponsorship by Arkansas Game and Fish Family Community Partnership, BGC Advantage, My Sisters Keypers, and M&T Health care Management & Services, we hosted a successful back-to-school event at Pine Crossing Apartment on August 12, serving 24 children.

Emana's Monthly Report - August 2021

Besides the back-to-School main events, we managed to host some nutritious, social, and wellness activities at all communities in North Little Rock.

The University of Arkansas at Little Rock completed the 6-week group walking program developed by the Arthritis Foundation. The residents enjoyed the program not only to improve their healthy lifestyle but also to have a lot of fun. They walked in groups, they exercised together, and they read health materials together under the shades. That was a successful program, so we extend another 6-week activity in September to create the opportunity for more residents to participate.

Bear Insurance and Asset Protection Ltd continued to host some social events with nachos, ice cream, or bingo games to adult family members twice a month for each property.

Emana's Monthly Report - August 2021

Food distribution assisted greatly the residents weekly. Thanks to M&T Healthcare Management and Services, Hickory Resident Council, Friendly Chapel Church, Dixie North Point Church of Christ, and Park hill Christian Church for providing bread, food pantries to the residents regularly.

The freephone serving numbers for the family members at Hickory and Maple Place increased each month. Cintas Wireless has helped 41 residents this month alone. This is a hugely successful number and we believe that the residents get what they really needed to communicate in this time of modern communication era.

Emana's Monthly Report - August 2021

The kids from Dallas/Fort Worth area came out in numbers to participate in our events. On average, we served more than 80 children per property. We sincerely appreciate the participation at the events and the sponsorship these organizations provided us during the month of back-to-school:

- Aetna Healthcare
- United Healthcare
- Maximus
- AmeriGroup
- Tarrant County Workforce Solutions
- Fort Worth ISD
- Schooling Encouragement Foundation
- Potter's House of Fort Worth
- Irving Home Health
- Parenting Center
- Homes for Kids
- FedEx
- Black Law Enforcement Officer Association
- Dallas HIPPY USA
- Queen Ester Outreach
- Tarrant County Credit Union
- Renaissance Heights United Board
