RESIDENT SERVICE ACTIVITY REPORT**

SUMMARY

Emana started to serve Meadow Parc and Ridge Parc I & II in Dallas, TX, this month. The management and residents welcomed the Emana team in their first meet-and-greet events. Many adult residents expressed gratitude for having the social activities, encouraging and engaging residents in working with the management to build a stronger community.

The Fall is here, and the first month of school has passed. Emana's September resident services theme focused on after-school snacks and activities. We hosted computer lab sessions for the after-school youth program at Merritt McGowan Manor and snack day at Treymore City Place and Rush Creek. We want to express our appreciation to all sponsors and supporters.

Thanks to AmeriLife for the sponsorship and participation in the art and craft events at Newsome, Bethlehem Pioneer Place, and Renaissance Senior Residences this month. Seniors learned a great deal about making their own Fall decorating door wreaths. Many of them expressed their appreciation for the fun and productive activities.

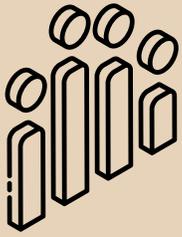

Thanks to the Schooling Encouragement Foundation for supporting and participating in our events. This month, we appreciate the team at SEF providing more than 60 new brand-name pants, shirts, and T-Shirts like Tommy Hilfiger, Nike, J. Jill, and Skims to the residents at Ridge at Trinity and Treymore North. We appreciate SEF's volunteers and AmeriFile for working well together in hosting the monthly birthday luncheons for our senior properties.

We sincerely want to invite all participants, sponsors, owners, and management teams to follow us on social media for more activity information.

This month's highlight activity at Columbia Renaissance was the annual health fair on September 17, 2022. At the Senior site, FedEx, Wright Care, Foot Care by Dr. Steven Nguyen-Khoa, One Point Health, and Tarrant Public Health joined the event. Forty-six (46) seniors participated. They got their health screening and care information while enjoying healthy refreshments. We have Schooling Encouragement Foundation, Rhoads-2-Insurance, and Cookchildren's on the family site. Thirty-one (31) residents came out to support, and while learning more healthcare information, they collected free health and beauty products donated by SEF.

There were sixteen (16) residents participated in the weekly exercises. Kudos to the adult residents who joined our effort of weight loss program. Many thanks to Emana's volunteers for taking the lead on these exercises.

Both of the art & craft events at the family site were fun. Thirty (30) children and adults participated and proved their artistic talents. Kids showed their interest in painting, as always.
