## We're Grateful

It is time to be thankful and share the blessings. Emana's team is grateful for the partnership throughout the year of services. Specially, we have several new non-profit organizations like My Sisters Keyper joined to serve the residents in North Little Rock and Schooling Encouragement Foundation, helping the kids in five locations in the Dallas and Fort Worth area.

This month, we help programs like walk with ease and cooking matter sessions for Maple Place and Hickory View properties. Many thanks to the University of Arkansas at Little Rock for the health class and fun program.

Three more phone companies, Your Call Wireless, TruConnect, and Assist Wireless, have joined to serve freephone programs to Maple Place and Oak View residents. They hosted an event at Maple Place on the 12th.

Asset Protection Ltd offered a Medicare education program at Hickory View and Maple Place once a week. This partner also provided a fun bingo with prizes at Maples, gathering nine seniors together for the an-hour happy game.

My Sisters Keyper hosted the successful food box programs at Hickory View and Maple Place. They also hosted a game night at Pine Crossing on the last day of the month.

The resident council and Dixie House helped with the Thanksgiving luncheons on Thanksgiving Eve day at both properties. The resident council also delivered food distribution on the 17th and helped arrange a health education class to prevent STD & HIV on the 16th.

The Emana team worked with several partners to share our blessings with the residents at five locations in Texas. We hosted a Friendsgiving luncheon at Renaissance Square, A BlessGiving at Ridge at Trinity, a NikesGiving at Ironwood Crossing and Park at Sycamore, and Breakfast on the Go at Rush Creek.

Schooling Encouragement Foundation helped distribute Nike Tees, shirts, and sports jerseys at Ironwood. We could see many thankful smiles across the diversity of residents at this place. Emana also gives some little piggy banks to the kids getting off the school bus in the late evening.

Emana took care of the residents' nutrition needs at Rush Creek, who went to work and school in the morning. Thanks to AmeriGroup and volunteers who supported and helped us early in the morning.

Several volunteers and Book Angle joined us to host a warm brunch at Renaissance Square on the 13th. Residents felt appreciative for what we cared for and shared.

On November 15th, Schooling Encouragement Foundation and Emana hosted a Nike Socks giveaway at Park at Sycamore. More than 60 nice pairs of Nike Socks got delivered to the residents in need.

At Ridge at Trinity, we also worked with SEF to host a BlessGiving that giveaway cleaning supplies, food cans, and bath products. Many residents turned out orderly and happily accepted their items with gratitude. According to some residents, it was a hard time for them to get some supplies. We were glad that we did the event that could help the residents.
