Building a better community together

Fall Festivals

Believe it! It is Fall, the beautiful season of the year. The central theme of social services at this time of the year is to create fun for the kids and families, Fall Festival, and Halloween activities.

In North Little Rock of Arkansas, we have the Arkansas Food Bank assistance, where the churches periodically bring bread and food boxes to Hickory View/Cedar Gardens and Maple Place/Oak View. The University of Arkansas at Little Rock continued their Cooking Matter classes and Walk With Ease program. With these programs, residents learned about nutrition and health while getting some fun to exercise.

Bear Insurance twice a week, hosted the social

events at each property to go over the healthcare needs and meanwhile enjoyed the snacks with the residents. Asset Protection offered bingo games with prizes twice a week to keep the residents interested in the social meetings. There were nearly 40 residents who participated in one of the social events at Maple Place on 10/5/2021 by Bear Insurance. Many thanks to the Property Manager at Maple Place for distributing the information to get many participants.

Resident Council and My Sister's Keyper's organization provided food boxes to all NLR properties once a month. Cintas Wireless also helped six residents at Maple Place with free cell phone issues this month.

EMANA'S MONTHLY REPORT - OCTOBER 2021

We successfully hosted the "meet and greet" event at Columbia Renaissance Square for Renaissance Heights United and the community in Texas. Residents and sponsors met with the new Executive Director, Kenny Mosley, Renaissance Heights United, the Neighborhood Police Officers, and the District 8, City Councilperson, Chris Nettles. We had a great time together. Specially, we appreciate Tonya Hall, Regional Manager, for her hospitality.

October has much fun with Halloween and the Festivals. Those were two main events we hosted at all properties in Dallas/Fort Worth area. While exercising the traditional Treats or Tricks, we invited five organizations to support our Trunk or Treat events at Rush Creek Apartments and Renaissance Square. There were a large number of kids and families to hang out at the events. The children enjoyed the sweetness and the so-called "Spooky trunks." At Ridge at Trinity, Ironwood Crossing, and Park at Sycamore, we planned a Fall Festival where we provided popcorn and hot dogs to go. Schooling Encouragement Foundation hosted the tossing games with exciting prizes for kids. Aetna, AmeriGroup, Texas Star, and DentaQuest supplied promotional items and healthcare information.
